### The Conspiracy Case.

SALT LAKE, Utah, Dec. 24.—The jury in the Brighamton conspiracy case brought in a verdict of guilty tonight after being out one hour. The punishment may be one year in the county jail or one thousand dollars fine. The rumor that U. S. Attorney Dixon had withdrawn his resignation causes much rejoicing tonight. The rumor is authentic.

### Convention of Postmasters.

CHICAGO, Dec. 24.—The preparations for the national convention of the third and fourth-class postmasters in this city, which is to take place on February 15, 1886, are almost complete. The organizers are out in an elaborate circular to-day, in which the importance of a convention is urged and needs of postmasters outlined. Claim will be urged upon Congress to pay rent, light and fuel for third and fourth-class postmasters. The circular declares that the press of the country has generally pronounced itself in favor of the movement.

### A Genuine Surprise.

SAN FRANCISCO, Dec. 25.—The Chronicle's El Paso special says: A band of Indians were surprised by a body of volunteers while camped near the railroad track between Clifton and Lordsburg. Eleven savages and thirty-three horses were captured. The assaulting party were mainly composed of Mexican residents under the guidance of Big Jim, a colored deputy sheriff. The attack took place before daylight. The Indians, though well armed, were so completely demoralized that they fled without making any resistance and are now scattered through the mountains.

### Says He Will Not Go.

BOSTON, Dec. 25.—N. W. Bingham, special agent of the Treasury, has written a letter to Supervising Agent Martin declining to resign as requested on the ground that he is engaged for duty in the Hawaiian Islands. He has been in the Hawaiian Islands for several months and is expected to remain there for some time.

### Boiler Explosion.

SAN FRANCISCO, Dec. 25.—The bursting of one of the boilers at Spring Valley water-works, of this city, situated on the shore of Lake Merritt, a short distance from here, caused the other five boilers in the building to explode. The building was completely demolished. John Ryan, coal-passer, Pete Duffy, fireman, were instantly killed; George Hunt, fireman, Chris Whalen, coal-passer, dangerously wounded. Damage \$140,000. The engine was running at a low pressure; no cause can be assigned for the explosion.

### Anti-Chinese Meeting.

SACRAMENTO, Dec. 25.—At Elk Grove last evening a large and enthusiastic meeting was held to consider the Chinese question. Speeches were made by Messrs. Dwyer, Reed and others and an anti-Chinese club of over fifty members was organized. The Capitol woolen mills of this city announces that all Chinese employees of that establishment will be discharged on January 1st.

### Bayard's Reply.

WASHINGTON, Dec. 25.—The following is the reply of Secy. Bayard to the letter of the Chinese minister, enclosing check of \$500 as contribution to the proposed monument in New York, to the memory of General Grant:

De arment State, Washington Dec. 25, 1885. Dear Mr. Minister:—It gives me great pleasure to acknowledge your excellency's note of the 21st

inst., accompanied by a check for \$500 in aid of completion of the monument, proposed to be erected in New York to the memory of General and ex-President Grant. Permit me, for myself and all my countrymen, and not in merely a formal way, but with much feeling, express my own and their gratification in this wide-spread human sympathy for the American people, in aiding them to perpetuate the memory of one who was their chieftain in military and civil government. I beg you to convey to the illustrious Viceroy, Si An, an expression of my high appreciation of his gift of \$300, and accept my equal thanks for your own contribution of \$200. The total sum shall be transmitted to the custodians of the monument fund in New York, with a copy of your letter; and with renewed acknowledgment of your proof of sympathy and friendship to the people of the United States and one of their most heroic representatives, I am, my dear Mr. Minister, very sincerely yours,  
T. Bayard.

### Silver Coinage.

WASHINGTON, Dec. 25.—The Treasury Department has purchased 1,900,000 ounces of silver this month for coinage into standard silver dollars. The Bland silver dollar is now quoted at 97½ cents.

### Glorious News.

The arrival of two large freight teams this morning in front of Summerfield Bros' store, caused our reporter to pause while going the rounds of the city for news. After waiting a few minutes he observed several large packing cases being unloaded. This excited his curiosity, and he repaired to the interior of the store where he found them being unpacked, and noticed that they were filled with boys and men's clothing, which are especially suited for the holidays.

We also observed several cases which contained a full line of holiday presents such as silk handkerchiefs, plain handkerchiefs, embroidered handkerchiefs, initial handkerchiefs, and in fact almost everything that is suitable for holiday presents. Mr. Summerfield stated to us that he had employed a force of six extra clerks, so that everybody could be waited upon at once and not be kept waiting. We would advise all parties desiring holiday goods, or who would like to make their lady or gentleman friend a suitable present, to visit the store of Summerfield Bros. at the New York Street.
